In re applications of

MOTION FOR EXTENSION OF TIME

Darrell Bryan, ("Bryan") by counsel, hereby requests an extension of time to file an opposition to the Petition to Enlarge Issues and Threshold Showing of Unusually Poor Broadcast Record filed by mail in this proceeding by SBH Properties, Inc. ("SBH") on September 30, 1993.

The Opposition is due to be filed on October 14, 1993. Bryan hereby requests an extension of forty-five (45) days from October 14 to November 29, 1993. This period encompasses Election Day, Veterans Day and Thanksgiving Day, thereby providing an additional 31 working days.

The extension is necessary first, because undersigned counsel sustained a broken femur on September 26, 1993 which required surgery to repair, a week-long hospital stay and will further require bed-rest, physical therapy and limited mobility for a projected three weeks after which return to full time work aided by the use of crutches should be authorized; and second, because of the need for counsel to obtain information from the client in Tennessee regarding the information contained in the Petition, said Petition consisting of 19 pages of text, six declarations,

two attachments, and a two page document request concerning the requested additional issues, resulting in a total of 55 pages to be reviewed by counsel.

Counsel for SBH is opposed to the requested extension, and will only consent to an additional two weeks (See Attachment A). The undersigned submits that two weeks is insufficient in light of the circumstances.

In view of the foregoing, it is respectfully requested that the time for opposing the September 30, 1993 SBH Petition to Enlarge Issues be extended to November 29, 1993.

Respectfully submitted,

DARRELL BRYAN

RE: Tusculum, Tennessee -- MM Docket No. 93-241

With regard to your facsimile memo of this date, enclosing your draft Motion for Extension of Time, be advised that I am not in a position to consent to a 45 day extension of time for filing responses to the Petition to Enlarge/Threshold Showing, filed September 30, 1993.

However, my client would have no objection to a reasonable extension of time of up to two weeks. Accordingly, if you are willing to reform your Motion to request an extension of time of no more than two weeks, you may state SBH's consent to such a request.
